

Roseburg VA Health Care System & Eugene VA Health Care Center

PGY-1 Pharmacy Residency
PGY-2 Ambulatory Care Residency
PGY-2 Pain & Palliative Care Residency

Preceptor Booklet | 2021

Daniel Neal, PharmD, BCPS, FOSHP

- **Position(s):** Chief of Pharmacy
- **Pharmacy School attended:** University of the Pacific
- **Post-graduate training:** PGY-1 at VA San Diego Healthcare System
- **Primary location:** Roseburg
- **Rotation(s):** Pharmacy Administration, Joint Commission
- **Area(s) of interest:** Pharmacy Administration, Pain Management and Pharmacy Education
- **Reason for staying with Roseburg/Eugene:** I have stayed in the VA due to the abundant opportunities pharmacists have in our system. I have stayed at the Roseburg VA because it is a wonderful small town. Also, being at a smaller VA facility provides more opportunities to be involved in a broad range of health care areas that expand outside of pharmacy.

Rene Endow, PharmD, BCPP

- **Position(s):** PGY-1 Residency Program Director, Mental Health Clinical Pharmacy Specialist
- **Pharmacy School attended:** University of Southern California
- **Post-graduate training:** Psych Residency at USC, Substance Abuse Fellowship at VA Puget Sound Health Care System
- **Primary location:** Roseburg
- **Rotation(s):** Inpatient Mental Health and Substance Use Disorders
- **Area(s) of interest:** Mental Health
- **Reason for staying with Roseburg/Eugene:** Initially came to the Roseburg VA to become the RPD of a new PGY-2 Mental Health Program, I was fortunate enough to become the RPD of the PGY-1 program instead. As a CPS at the VA, you are able to work at the top of your license which means having prescriptive authority and being autonomous for your own caseload of patients.

Jessica Johnson, PharmD, BCACP

- **Position(s):** PGY-2 Ambulatory Care Residency Program Director, PACT Clinical Pharmacy Specialist
- **Pharmacy School attended:** Pacific University
- **Post-graduate training:** PGY-1 at Roseburg VA Health Care System
- **Primary location:** Eugene
- **Rotation(s):** PACT, Hepatitis C
- **Area(s) of interest:** Hepatitis C, Diabetes, Heart Disease, Ambulatory Care
- **Reason for staying with Roseburg/Eugene:** I obtained my dream job at the Roseburg VA.

Jacquelyn Lansing, PharmD, BCPS, BCCCP

- **Position(s):** PGY-2 Pain & Palliative Care Residency Program Director, Pain Management and Opioid Safety Clinical Pharmacy Specialist
- **Pharmacy School attended:** University of Iowa College of Pharmacy
- **Post-graduate training:** PGY-1 at Parkland Health and Hospital System, PGY-2 Critical Care Residency at Jackson Memorial Hospital
- **Primary location:** Eugene
- **Rotation(s):** Pain Management/Opioid Safety
- **Area(s) of interest:** Pain Management, Medication Safety
- **Reason for staying with Roseburg/Eugene:** Supportive atmosphere to establish new services and serving Veterans

Michael Agosta, PharmD

- **Position(s):** PACT Clinical Pharmacy Specialist
- **Pharmacy School attended:** Creighton University
- **Post-graduate training:** PGY-1 at Roseburg VA Health Care System
- **Primary location:** Eugene
- **Rotation(s):** Tobacco Cessation
- **Area(s) of interest:** Ambulatory Care, particularly COPD/Asthma
- **Reason for staying with Roseburg/Eugene:** My very first APPE rotation was with the Omaha VA. This experience motivated me to pursue a residency with the Roseburg VA. Upon completion of residency, a position which enabled me to work with my preceptors became available in Eugene. The combination of my desire to work in ambulatory care pharmacy, my positive experiences in Roseburg and proximity to family was too good to not stay.

Kristen Bossert, PharmD, MBA, BCPS

- **Position(s):** Specialty Medicine Clinical Pharmacy Specialist
- **Pharmacy School attended:** University at Buffalo
- **Post-graduate training:** PGY-1 at Whiteriver IHS
- **Primary location:** Eugene
- **Rotation(s):** Antimicrobial Stewardship, Medication Safety
- **Area(s) of interest:** Infectious Diseases, Medication Safety
- **Reason for staying with Roseburg/Eugene:** Opportunity to pursue my passion for infectious disease and antimicrobial stewardship at the facility, support from management to pursue these items but also explore other non-direct patient care work, such as medication safety.

Sierra Carpenter, PharmD

- **Position(s):** Substance Use Disorders Clinical Pharmacy Specialist
- **Pharmacy School attended:** Pacific University School of Pharmacy
- **Post-graduate training:** PGY-1 at OSU Student Health Services, Psych PGY-2 at Portland VA
- **Primary location:** Eugene
- **Rotation(s):** Substance Use Disorders (PGY-2 only right now) and longitudinal benzo/stimulant report
- **Area(s) of interest:** SUD, Mental Health
- **Reason for staying with Roseburg/Eugene:** There's a lot of opportunity for new service development and growth as well as the flexibility a smaller system has to try new things.

Karla Choy, PharmD

- **Position(s):** Clinical Pharmacy Specialist, Pharmacy Informaticist
- **Pharmacy School attended:** University of California San Diego
- **Post-graduate training:** PGY-1 at Roseburg VA Health Care System
- **Primary location:** Eugene
- **Rotation(s):** Lead Resident, Anticoagulation and Erythropoiesis-Stimulating Agents, Pharmacy Informatics
- **Area(s) of interest:** Informatics, Anemia, Pharmacoeconomics
- **Reason for staying with Roseburg/Eugene:** I came to the VA because of the independence pharmacists have to practice in ambulatory care while serving Veterans. The VA pharmacy informatics community is very active in collaborating to best utilize our computer systems, pharmacy equipment, and resources at each facility. Having resided in both Roseburg & Eugene, I would not want to leave the abundance of outdoor activities we have here.

Jerrold Dushaw, PharmD, MBA

- **Position(s):** PACT Clinical Pharmacy Specialist, Anticoagulation Coordinator
- **Pharmacy School attended:** Massachusetts College of Pharmacy and Health Sciences
- **Primary location:** Eugene
- **Rotation(s):** Anticoagulation
- **Area(s) of interest:** Anticoagulation, Diabetes, Heart Failure, Geriatrics
- **Reason for staying with Roseburg/Eugene:** I chose to stay with the Roseburg VA due to the wide scope of practice, excellent co-workers in primary care. Eugene is perfectly located and offers a variety of outdoor activities (hiking, skiing, bike riding with easy access to both the mountains and the oceans) There is also amazing food, wineries and breweries with an emphasis on locally based selections (which is better!).

Ashley Edwards, PharmD, MHA

- **Position(s):** Associate Chief of Pharmacy
- **Pharmacy School attended:** Pacific University School of Pharmacy
- **Post-graduate training:** Retail pharmacist at Walgreens
- **Primary location:** Roseburg
- **Rotation(s):** Outpatient Pharmacy
- **Area(s) of interest:** Healthcare Administration and Servant Leadership
- **Reason for staying with Roseburg/Eugene:** Serving Veterans, great coworkers, and every day is different.

Inchul 'Kenny' Har, PharmD, BCACP

- **Position(s):** PACT Clinical Pharmacy Specialist
- **Pharmacy School attended:** Idaho State University
- **Post-graduate training:** PGY-1 at Boise VA Medical Center
- **Primary location:** Roseburg
- **Rotation(s):** Primary Care, Anticoagulation
- **Area(s) of interest:** Ambulatory Care
- **Reason for staying with Roseburg/Eugene:** Roseburg VA offers many opportunities for a clinical pharmacist to grow and excel in areas of interest. Also, we have excellent co-workers/staff. Roseburg is located in SW Oregon along the I-5 corridor and offers a lot of outdoor activities such as camping, hiking, and fishing. It offers very mild weather throughout the year and slowly transforms to wine country.

Christina Heinrich, PharmD, BCPS

- **Position(s):** Associate Chief of Pharmacy
- **Pharmacy School attended:** Oregon State University/Oregon Health & Sciences University
- **Post-graduate training:** Primary Care Residency at William Middleton VA Hospital
- **Primary location:** Eugene
- **Rotation(s):** Pharmacy Administration
- **Area(s) of interest:** Clinical Practice Management, Diabetes, Heart Failure, Women's/Gender based Health
- **Reason for staying with Roseburg/Eugene:** Roseburg VAHCS offers opportunity to have an innovative clinical practice and supports the clinical advancement of pharmacists. In a more rural health care setting where Primary Care Providers may be difficult to recruit, CPSs are uniquely positioned to have a wide scope of practice for medication management of all primary care conditions. I love Eugene because the community is a great place to raise my family, with its access to nature, culture, and great food.

Shannon O'Leary, PharmD

- **Position(s):** Community Living Center Clinical Pharmacy Specialist
- **Pharmacy School attended:** Oregon State University/Oregon Health & Sciences University
- **Post-graduate training:** PGY-1 at Phoenix VA
- **Primary location:** Roseburg
- **Rotation(s):** CLC rotation, including transitions of care, hospice, and palliative dementia care
- **Area(s) of interest:** Geriatrics
- **Reason for staying with Roseburg/Eugene:** The pharmacy team at the Roseburg VA is unbeatable! Being able to practice at the top of my license in a variety of settings keeps me engaged every day.

Richard Perry, PharmD, MS

- **Position(s):** Mental Health Clinical Pharmacy Specialist
- **Pharmacy School attended:** University of Rhode Island
- **Post-graduate training:** PGY-1 at Kingsbrook Jewish Medical Center, PGY-2 at University of Texas
- **Primary location:** Eugene
- **Rotation(s):** Outpatient Mental Health
- **Area(s) of interest:** Mental Health
- **Reason for staying with Roseburg/Eugene:** I chose to stay with Roseburg because of the great work environment and the level of care that VA clinicians are able to provide.

Katherine Peters, PharmD

- **Position(s):** Primary Care Mental Health Integration Clinical Pharmacy Specialist
- **Pharmacy School attended:** Oregon State University/Oregon Health & Sciences University
- **Post-graduate training:** PGY-1 at OSU & Salud Medical Center, PGY-2 at Eugene VA HCC
- **Primary location:** Eugene
- **Rotation(s):** PCMHI Outpatient Mental Health
- **Area(s) of interest:** Mental Health
- **Reason for staying with Roseburg/Eugene:** I love my job at the Eugene VA. I especially enjoy working with Veterans who have never sought mental health treatment before, because I feel as if I'm able to have a significant impact on their perception of the stigma that surrounds mental health. Additionally, I value the relationships I have with my coworkers and the amount of autonomy I have as a practitioner here.

Suzanne Phillips, PharmD, BCPS, MPH, PhD

- **Position(s):** Inpatient Pharmacy Supervisor
- **Pharmacy School attended:** Virginia Commonwealth University
- **Post-graduate training:** Joined the Army with many sink or swim training opportunities
- **Primary location:** Roseburg
- **Rotation(s):** Inpatient Operations
- **Area(s) of interest:** Pharmacoepidemiology, Process Improvement
- **Reason for staying with Roseburg/Eugene:** This is a great area to raise my kids.

Julie Rodgers, PharmD, BCPS

- **Position(s):** PACT Clinical Pharmacy Specialist
- **Pharmacy School attended:** University of New Mexico
- **Post-graduate training:** PGY-1 at New Mexico VA Health Care System
- **Primary location:** Roseburg
- **Rotation(s):** Primary Care, Anticoagulation
- **Area(s) of interest:** Heart Failure
- **Reason for staying with Roseburg/Eugene:** Collaborative practice with providers. The pharmacy department is very supportive. Small town and beautiful surroundings.

Eugenia Su, PharmD

- **Position(s):** Primary Care Mental Health Integration Clinical Pharmacy Specialist
- **Pharmacy School attended:** Oregon State University/Oregon Health & Sciences University
- **Post-graduate training:** PGY-1 at Roseburg VA Health Care System, PGY-2 at Eugene VA Health Care Center
- **Primary location:** Eugene
- **Rotation(s):** PCMH Outpatient Mental Health
- **Area(s) of interest:** Mental Health, Primary Care
- **Reason for staying with Roseburg/Eugene:** Ever since I was an APPE student with the Eugene VA, I've found the VA to be more rewarding than any other site I've worked with due to the high level of care a pharmacist can give with their scope of practice.

Amanda Unrau, PharmD

- **Position(s):** PACT Clinical Pharmacy Specialist
- **Pharmacy School attended:** Oregon State University/Oregon Health & Sciences University
- **Post-graduate training:** PGY-1 at Roseburg VA Health Care System
- **Primary location:** Eugene
- **Rotation(s):** Primary Care, Tobacco Cessation, Non-Formulary/Drug Information
- **Area(s) of interest:** Diabetes, Tobacco Cessation, COPD, Asthma
- **Reason for staying with Roseburg/Eugene:** I rotated as an APPE student at the Eugene VA and fell in love with amb care, which changed my whole career path. I love the broad scope of practice CPS' have within the Roseburg VA. I am originally from Lebanon (~45 minutes north of here), so stayed at this VA to be by family.

Foua Xiong, PharmD, BCPS

- **Position(s):** PACT Clinical Pharmacy Specialist
- **Pharmacy School attended:** Oregon State University/Oregon Health & Sciences University
- **Post-graduate training:** PGY-1 at Roseburg VA Health Care System, PGY-2 at Eugene VA HCC
- **Primary location:** Roseburg
- **Rotation(s):** Primary Care, Anticoagulation
- **Area(s) of interest:** Diabetes
- **Reason for staying with Roseburg/Eugene:** The people here, from the patients to the pharmacists, are great to work with. I have been consistently supported throughout my time at the Roseburg VA.
