

OSHP Professional Relations Council

January 8, 2019 Meeting Minutes

Location: Phone-In Only

1. What is PRC? - advises the Board on professional matters involving the development and improvement of the professional practice of pharmacy
2. New logo - OSHP would like a new refreshed logo
 - a. Update Management used the following website to help design new logo:
<https://99designs.com/>
 - b. Ben - proposed having students do logo submission competition
 - i. **ACTION:** Rachel to send email to student chapter reps (Laura and Baylee) for distribution to students, deadline for logo submission is March 2nd for an and all members interested in submitting. Can submit to Rachel rasetz@scmc.org
 - ii. **ACTION:** Rachel to ask Stacey/BOD for options for prize for winner
3. Professional engagement/professional relations
 - a. Member Spotlight
 - i. Need nominations
 1. **ACTION:** PRC members, please send Rachel ideas for OSHP members to highlight with member spotlight
4. Duties/responsibilities of PRC
 - a. Social Media
 - i. Discussed need for social media editor/webmaster type position given need to have more presence online
 1. Ben has been able to login to OSHP Twitter account but has not Tweeted
 2. **ACTION:** Rachel to bring to BOD for discussion.
 3. Austin is interested in helping with social media. **ACTION:** Rachel to get Austin
 - b. Website
 - i. Section circles - OSHP website currently under construction so hold on this
 1. Discussed potentially having an all member section for better networking/communication - discuss with BOD
 - ii. Opportunity for website improvement
 - c. Newsbriefs

d. LRAC

i. Legislative updates - Mike Millard (millard@pacificu.edu)

1. Mike provided updates

- a. Coalition meeting on next Tues - email Mike if interested in attending
- b. Legislative session to start Feb 3, topics of interest are:
 - i. Gross receipt tax - pursuing exemption for pharmacies as "agents"
 - ii. Pharmacy dispensing naloxone - co-prescribing preferred over co-dispensing. Issue with low volume is do to cost and payors not funding
 - iii. Pep and prep - Protocol for pharmacist prescribing to be approved by board
 - iv. Proposal for drug import from Canada - OSHP opposes
 - v. PBMs - ongoing work
 - vi. Primary Care Workgroup being formed at state level - will be ask for designated clinical pharmacist as member of taskforce, need to be appointed by Governor. Goal is to assess how to provide primary care to Oregonians. Important to ensure pharmacy has strong involvement and voice on this.
 - vii. Opioid taskforce - currently has an OSPA member on it
- c. Position/White papers
 - i. Matt White is working on technician roles position paper
 - ii. John is working on pharmacist credentialing white paper, Mike hopes there can be something for review at Annual Seminar
- d. Community Outreach
 - i. Narcan in the Park - lack of interest and enthusiasm from community partners on this. Tabling it for now
