1	A certification program specific to the scope of advanced practice.	Jun 4, 2014 2:52 PM
2	No need to punish "experienced" pharmacists who don't have the extra letters behind their names.	Jun 2, 2014 8:07 PM
3	Possibly an OSHP or ASHP training certificate in APP. Achievable through a on-site training program (think ACLS certification). It doesn't need to come with initials following the signature, but a certificate that gets renewed every year or two.	Jun 2, 2014 6:53 PM
4	i don't understand option 4.	Jun 2, 2014 2:27 PM
5	Some may be and/or. Minimum experience = residency, or a certain period of practice (such as 3 years). Caution using CDTM because some of us use MTM.	Jun 2, 2014 1:34 PM
